

*Veneto, Italy*

*2012*

A great Italian wine. One of the most dependably refreshing wines on the planet! It is also the perfect midweek or party bottle, the kind that will always satisfy and never break the bank. This wine is light and crisp with yellow pear and apple fruit and sprightly notes of mint and lime. It will pair well with poached white fish, chicken Piccata, or a platter of light cheeses and fruits.
